Chattanooga Police Department Explorers Application

The Explorer Program is an official program of the Chattanooga Police Department designed by the Boy Scouts of America to expose young men and women (ages 13-21) to the vast career choices available in law enforcement today.

Many of our alumni have continued their career path to successfully achieve positions in local, state and federal law enforcement agencies throughout the country.

The Chattanooga Police Explorers meet once a week and learn in both classroom and field environments. Weekly meeting presentations include training on Police duties, self defense and investigations. Explorers also attend Explorer competitions annually. Knoxville, TN, Las Vegas, NV and Gatlinburg, TN are some of the cities where we've competed in the past.

Explorers are invited to participate in our ride-along program. Members ride with a patrol officer and respond to calls.

We invite you to further review the exciting challenges of exploring with the Chattanooga Police Department and welcome your interest and involvement. Join our team today.
