

2010 Pass Information

The City of Chattanooga has two types of passes available at Brainerd Golf Course and Brown Acres Golf Course for the 2010 season.

The **half-price pass** is good at either course excluding weekends and holidays. It allows the golfer to play either course at half the regular rate. We also offer a 7-day-a-week **annual pass**. It entitles the holder to free green fees 7 days a week.

Both passes are available now and are good for the calendar year, 1/1/10 through 12/31/10. Golfers may begin using them at the time of purchase.

HALF-PRICE PASS

What is it?

It is a golf pass that entitles the holder to half-price green fees and half-price cart fees. The pass may be used at Brainerd or Brown Acres, Monday through Friday only, excluding holidays.

How much does it cost?

The pass is \$500.00. Everyone pays the same initial cost. Golfers will realize their discount when they pay half of the appropriate fee at the pro shop counter.

Who should buy one?

Anyone who plays, or wants to play, Brainerd and Brown Acres Monday through Friday, rents a cart, and plays more than 40 times in a year can enjoy the savings. The more the pass holder plays, the more he or she saves. This pass is perfect for the golfer that enjoys playing the majority of his or her rounds during the week when the courses are less crowded.

ANNUAL MEMBERSHIP PASS

This pass entitles the holder to free green fees anytime, 7 days a week. They are course specific but can be upgraded to include both courses.
