Vendor is to bid the "Product Sold As" on the Excel spreadsheet. Vendor to put in "Unit Price". The "Amount" will populate the total bid for that line. Once all the items are bid a "TOTAL:" will appear at the bottom of the Excel spreadsheet. This will be your total bid.

Vendor should designate which items are agency-priced if not designated.

Percentage Bid:

A percentage discount (-), markup (+), or net (0) is to be bid for items not listed on the excel spreadsheet. This is in case the Golf Courses Superintendents decide to use a different product during the course of this contract.

Bidder shall enter a percent from the manufacturer's catalog or price list. One (1) percent minus (-) and discount amount, plus (+) and surcharge amount, or "0" for net is acceptable. You must put a (-) for discount. If a symbol is not listed, the City will assume that a (+) surcharge was bid.

In addition, this policy shall specifically insure the contractual liability assumed by the successful bidder to defend and indemnify the City of Chattanooga against such claims or suits.

To the extent that the work may require blasting, explosive conditions or underground operation, the comprehensive general public liability and property damage coverage shall contain no exclusion relative to blasting, explosion, collapse of buildings, or damage to underground property.
