Councilwoman Robinson,

Please see attached map :

We have 3 different addressing issues:

1. The (top let portion of the map) – there is a cul de sac at the top that needs to have its own street name & we will be sending out letters to the 3 property owners for a name selection
2. The 1301 to 1324 block of comet Trail needs to be re-addressed to correct the number block range – the numbers are out of sequence
3. 4412-4424 Block of Meteor trail needs to have a new block range – as there are duplicate numbers with Comet Trail – which it connects to.

I just wanted to notify you of these changes and the Street name change (item 1) will be presented to council in about a month once the name selection forms have been received.

Debie,

I've attached the map showing the issues on Comet Trail, as we discussed in the addressing meeting this morning. I would like to get the process started to send out request forms for a new name for the cul-de-sac as soon as possible. Please let me know if there are any problems or if you have any questions.

Thanks,
