## Recommendations Regarding Abandonment Request

---

I have completed the review of ARS Ventures request regarding abandonment of Unit Block of East Manning and two adjoining unopened alleys. More particularly Abandonment of the Unit Block of East Manning Street beginning at its intersection with the west line of the 300 block of Woodland Avenue thence northwest some 335 feet to its intersection with the east line of the 300 block of North Market Street. Said street separates Lots 1 and 18, Block B, Frazier and Colville's Addition to Hill City, Plat Book 4, Page 28, ROHC, from Lots 8 thru 10, O'Gradys Amended Addition to Hill City, Plat Book 5, Page 11, ROHC. Tax Map 135E-B-001 thru 003 and Tax Map 135D-C-017 and 019 as shown on the attached map.

Abandonment of an unopened alley beginning at its intersection with the north line of the Unit Block of East Manning Street thence northeastwardly and northwestwardly some 371 feet to its intersection with the east line of the 400 block of North Market Street. Said alley separates Lots 1 thru 5 ½ from Lots 6, 8, 15 thru 20, Block B, Frazier and Colville's Addition to Hill City, Plat Book 4, Page 28, ROHC. Tax Map 135D-C-014, 014.01, 017, 019 and 020 as shown on the attached map.

Abandonment of an unopened alley beginning at its intersection with the south line of the Unit Block of East Manning Street thence southeast some 302 feet to the north line of the Unit Block of East Kent Street. Said alley separates Lots 1 thru 8 from Lots 9 and 27, O'Gradys Amended Addition to Hill City, Plat Book 5, Page 11, ROHC. Tax Map 135E-B-001, 002, 008, 018 thru 020 as shown on the attached map. My comments are as follows:

1. The portion of East Manning Street is approximately 330' in length and 30' in width for a combined area of 9,900 sq ft.
2. The portion of subject alley one is approximately 390' in length and 10' in width for a combined area of 3,900 sq ft.
3. The portion of subject alley two is approximately 300' in length and 12' in width for a combined area of 3,600 sq ft.
4. The City of Chattanooga has no infrastructure in alleys one or two.
5. The City of Chattanooga has infrastructure (Stormwater & Sanitary Sewer) in subject Unit Block of East Manning.
6. Planning Commission recommended approval of subject to the City Engineers approval.
7. The following Utility Owner's noted objections to the Abandonment of alley two:
  - Chattanooga Gas

- TN American Water
- EPB
- Comcast
- AT&T

Therefore, I recommend the following: **The request for abandonment of said portions of rights of way are approved with conditions.**

**Planning Staff:** Request Overview  
 ARS Ventures, LLC submitted this Mandatory Referral to close the unit block of East Manning St. and two alleys beginning at the east line of the intersection of E. Manning St. and Woodland Ave. headed westerly approximately 330 feet, the alleys beginning at E. Manning St ending at N. Market St. and beginning at E. Manning St ending at E. Kent St. for the purpose of developing a 46,000 sq ft. grocery store.  
  
 Public rights-of-way are a public resource and an integral element in shaping the community. Rights-of-way contain roads and other public services, allow access to, and servicing of, individual properties along its frontage, and provide shape and form to our neighborhoods and to commercial and industrial areas. It is the policy of the Regional Planning Agency to retain rights-of-way for public use and only to recommend the permanent closure and abandonment of rights-of-way when it is concluded that the public has no further need to retain the right-of-way and that its abandonment is necessary to achieve a significant private or public interest.

---

the Right-of-Way Closure and Abandonment Policy adopted by the Chattanooga-Hamilton County Regional Planning Commission in January 1997 and the City of Chattanooga (Resolution 24532) in August 2005.

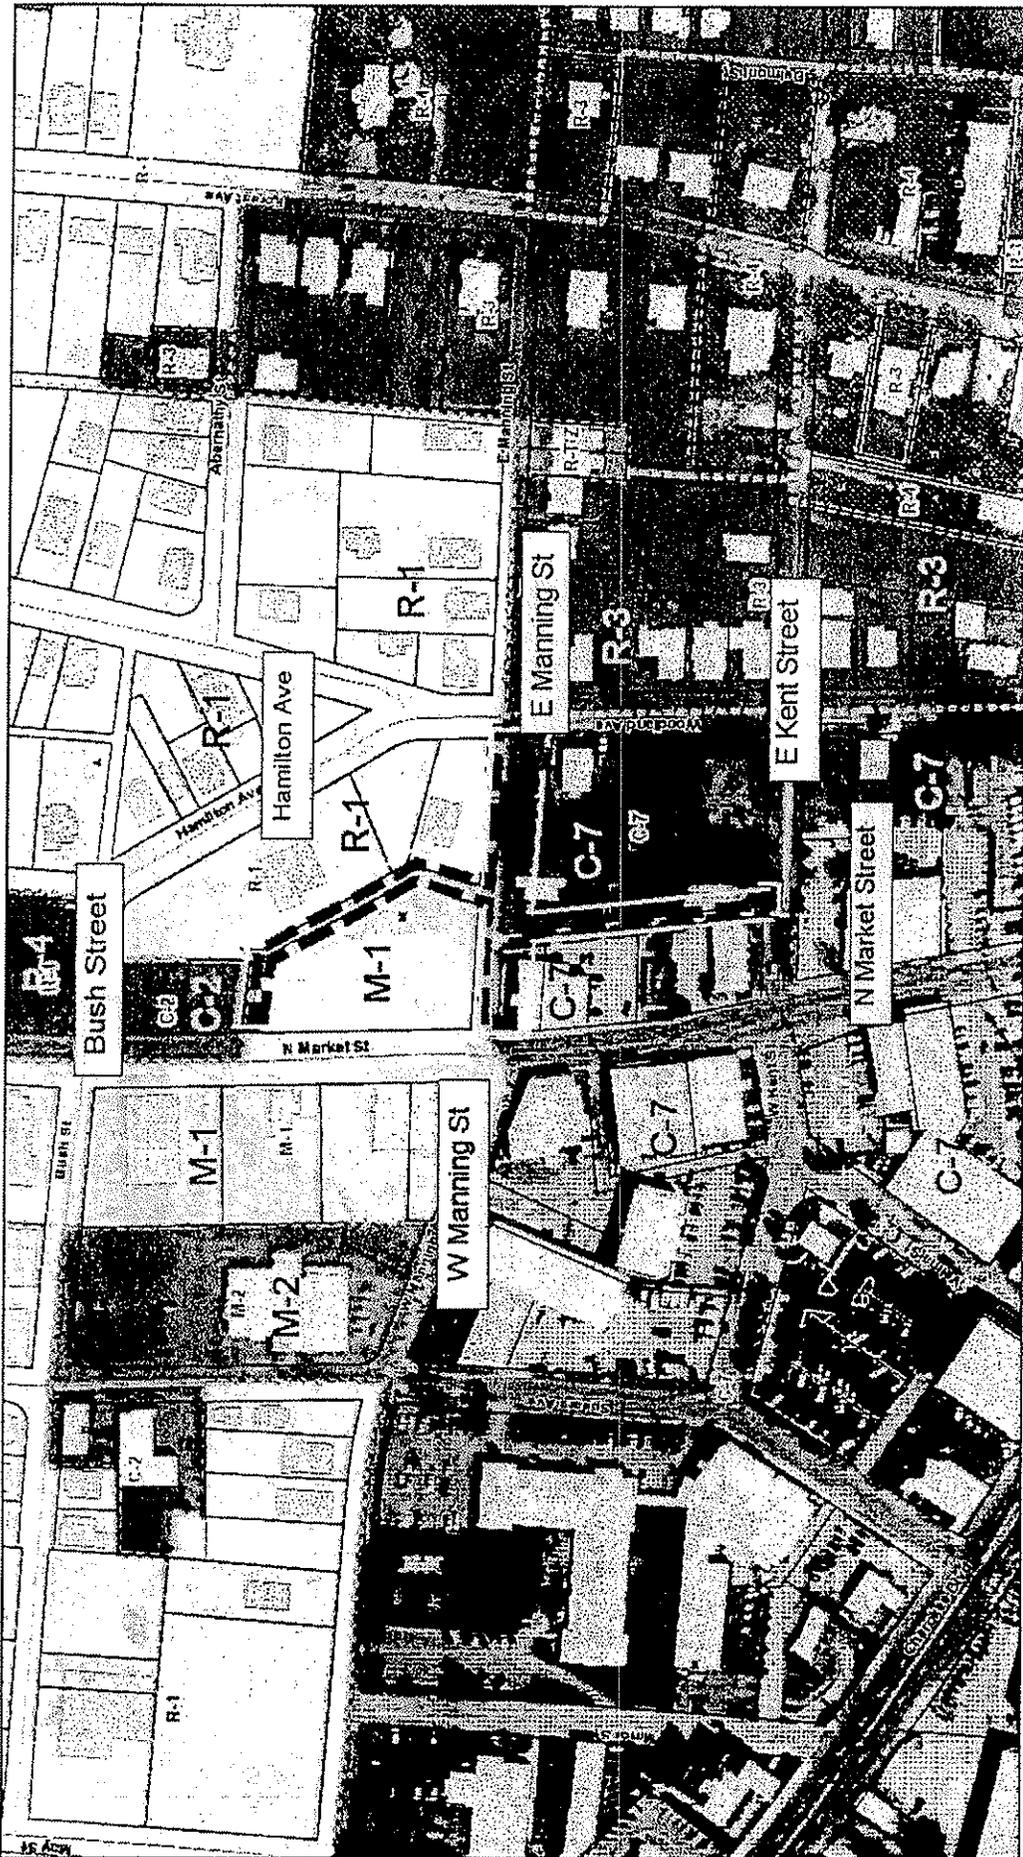

The Manning Street right-of-way is fully open to the public from Woodland Avenue to N. Market Street. It is dedicated for public use and maintained by the City of Chattanooga. Review of rights-of-way for closure is based on a tiered classification. This right-of-way is Tier 1, meaning it is in use by the public and such rights-of-way.

Tier 1: Rights-of-way currently open and in use by the public and which include any elements of a normal road including road pavement, sidewalks curbs, storm drainage systems, sanitary drainage systems, water distribution systems, fire hydrants, utilities (electric, telephone, cable television, gas), provision for future utilities, streetlights, and trees. These rights-of-way will not be closed unless a suitable replacement is provided.

Based on the information provided by the applicant, the closures are requested to accommodate a commercial grocery store on the site. Sewer utilities are present in and/or near the rights-of-way and are part of this request to also be abandoned. The closure and abandonment will not landlock any property. While the Alley Policy generally advises maintaining existing paved open rights-of-way, it also provides discretion to consider significant public/private interests (economic impact). The property has been vacant and underdeveloped for many years. The proposed grocery store will increase access by surrounding neighborhoods to daily food needs.

Staff Recommendation

Based on the review factors cited above, the Regional Planning Agency is recommending approval with conditions as the request seems appropriate in the context of the overall project.
