From: Chattanooga-Hamilton County Regional Planning Agency

Re: Report on Plan of Service for City of Chattanooga Proposed Cambridge Square Annexation Area

**Scope:**

The Chattanooga-Hamilton County Regional Planning Agency has reviewed the proposed annexation for Tax Map No. 132A A 026 which is being considered for annexation pursuant to authority granted by the State of Tennessee in T.C.A. Secs. 6-51-101 and following. The Regional Planning Agency acts as staff to the Chattanooga-Hamilton County Regional Planning Commission.

It should be noted that the scope of this Report is delimited by and prepared in accordance with the strictures of T.C.A. Sec. 6-51-102(b). Specifically, it is not the province of the Planning Commission to pass on or even to comment on whether the Plan of Annexation is lawful or appropriate. That determination is left to the City of Chattanooga City Council. Rather, the Planning Commission reports only on the reasonableness of the proposed Plan of Service for the areas considered for annexation.

The Regional Planning Agency has reviewed and considered the Urban Growth Plan, the Proposed Plans of Service and attached maps, and their professional knowledge or inspection of the subject areas in making this Report.

**Recommendation:**

The proposed annexation area is not contained within the City of Chattanooga's Urban Growth Boundary/Master Interlocal Agreement as agreed to in May 2001. This area is contiguous to the current City of Chattanooga boundary.

The Regional Planning Agency finds that the proposed Plan of Service is reasonable and meets the letter and spirit of the governing statutory standard set forth in T.C.A. Sec. 6-51-102(b).

The Plan of Services includes a reasonable implementation schedule for the delivery of comparable services in the annexation area with respect to the services provided to all residents of the City of Chattanooga. The implementation schedule addresses both the timing of the delivery of services and the immediate action items. Services will be delivered upon adoption or within a reasonable period of time following annexation. It appears that the City will be able to provide the same level of service to the annexation area as it does to the rest of the City and that, in doing so, it will not diminish the level of service to the rest of the City.

Additional fire protection, police protection, storm water management, refuse collection, street maintenance and clearing, traffic signs and control devices, zoning, inspection and code enforcement, animal control, and recreational facilities and programs access will be

to the benefit of the area proposed for annexation. Water and electric services are being provided by other entities as detailed and will not be affected by implementation of the proposed Plan of Service.

Sewer service provision is as detailed in the Urban Growth Plan Master Interlocal Agreement and outline in Section J of the Plan of Services. If the Hamilton County Water and Wastewater Treatment Authority (WWTA) cedes its service area within thirty (30) days of annexation, the City of Chattanooga will provide sewer service to the annexed area within three (3) years of the effective date of annexation. If the sewer service for properties is not ceded by WWTA, sewer service provision shall be the responsibility of WWTA.

A MOTION TO ADOPT THE WRITTEN REPORT OF THE  
CHATTANOOGA-HAMILTON COUNTY REGIONAL PLANNING AGENCY  
STAFF REGARDING THE REASONABLENESS OF THE SCOPE OF  
SERVICES TO BE PROVIDED AND THE TIMING OF SUCH SERVICES, AS  
REQUIRED BY T.C.A. § 6-51-102(b) FOR THE CAMBRIDGE SQUARE  
AREA FOR BARRIER PROPERTIES, LLC, TAX PARCEL NO. 132A-A-026

WHEREAS, the City of Chattanooga has provided a proposed Plan of Services to the Chattanooga-Hamilton County Regional Planning Commission which establishes the services to be delivered and the projected timing of services in accordance with T.C.A. § 6-51-102(b)(2); and

WHEREAS, the proposed Plan of Services includes, but is not limited to: police protection, fire protection, water service, electrical service, sanitary sewer service, solid waste collection, road and street construction and repair, recreational facilities and programs, street lighting, and zoning services; and

WHEREAS, it appears that the proposed Plans of Services provided for the Cambridge Square area for Barrier Properties, LLC, include a reasonable implementation schedule for the delivery of comparable services in the territory to be annexed with respect to the services delivered to all citizens of the municipality and properly excludes services that are being provided by other public agencies or private companies in the territories to be annexed as provided by T.C.A. § 6-51-102(b)(2); and

WHEREAS, the City of Chattanooga has submitted its proposed Plan of Services for areas provided to the Chattanooga-Hamilton County Regional Planning Commission for study and a written report in accordance with T.C.A. § 6-51-102(b)(4); and

WHEREAS, the staff of the Planning Commission has made a written report including recommendations with respect to the scope of services to be provided and the timing of such services in the boundary descriptions for the Cambridge Square area for Barrier Properties, LLC, Tax Parcel No. 132A-A-026;

NOW, THEREFORE,

IT IS MOVED that the Chattanooga-Hamilton County Regional Planning Commission should determine that the proposed Plan of Services for the Cambridge Square area for Barrier Properties, LLC, Tax Parcel No. 132A-A-026 includes a reasonable implementation schedule and includes all services required by statute and that the services included in all plans of services are reasonable as to the scope of the services to be provided and the timing of the services; and

IT IS FURTHER MOVED that the Chattanooga-Hamilton County Regional Planning Commission should adopt and approve the attached written report of the staff of the Chattanooga-Hamilton County Regional Planning Agency dated August 13, 2012, and forwarded on to the Chattanooga City Council.

Respectfully submitted,

---
