Re: Temporary Usage Request #98261

1701 Market St
Recommendations Regarding Temporary Usage Request

I have completed my review of Ms. Eubank's request regarding the Temporary Usage of the right of way at 1701 Market St., 4, 6, 8, 10, 12 W. 17th St. for the installation of awnings along a portion of said rights-of-way. Please refer to the attached map. My comments are as follows:

- As per submitted sketch, the awnings will project approximately 42 inches into the subject ROW and are not a line of sight issue provided they are install as per submitted sketch.
- As per submitted sketch, the awnings will be 12 feet above the existing sidewalk.

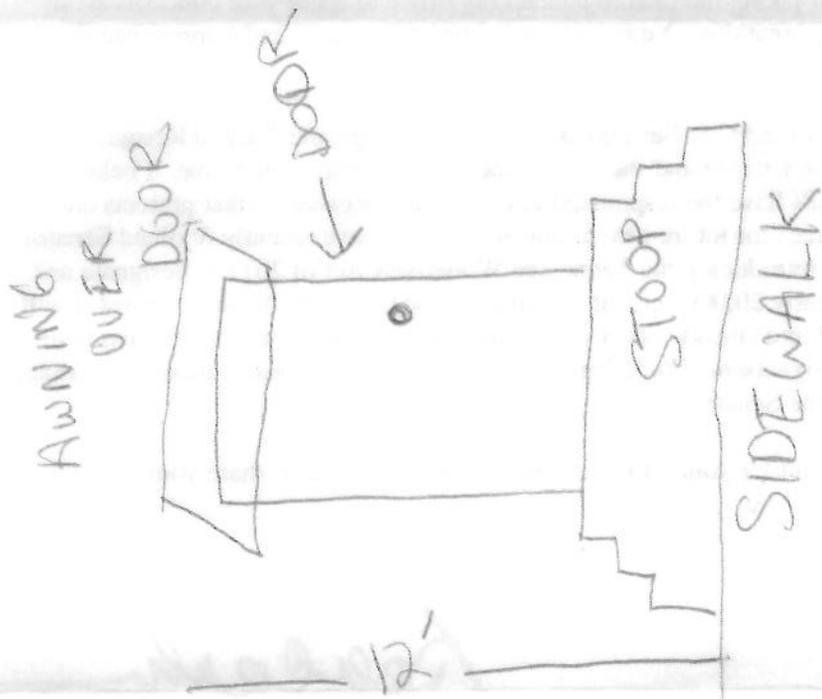

After review, granting this Temporary Usage does not conflict with the Public's interest. Therefore, I recommend that the request for ***Temporary Usage be granted subject to the following condition.***

- ***The proposed Awnings must meet the minimum elevation requirements as per City Codes and Standards.***

2012 Annual Meeting Minutes

Date: February 18, 2012 10:00 am Unit 12

Attendees: Natasha and Reed Durst, Mary Evelyn Phillips, Mary Eubanks, Mary Ann Harvey and Susan Sauer

- 1) Mary Eubanks presented a Power Point Presentation that reflected all expenditures and income for 2011. Job well done.
- 2) Main issue for 2011 was the water damage caused by 3 separate incidents.
- 3) Roof repair issues are being addressed for 2012. Leaks in units 6 & 10 are ongoing. Mike Jenkins is coordinating repairs. Hard to find roof contractors. Original installer refuses to respond to inquiries. Durst's will contact a roofer they know for possible repairs.
- 4) Everyone likes the design of the awnings supplied by Mary Evelyn. They are same as those on a local architect's building. Mary Eubanks will contact the architects and find out who installed them. Consensus is that metal is preferred over cloth because they will last longer.
- 5) Parking is an issue due to the lease of the commercial unit. Adjoining lot is muddy with standing water and it is sometimes difficult to find a parking spot in area by fence. Mary Evelyn will speak to the commercial tenant regarding using street parking not residential parking. Susan will look into obtaining a sign for the fence denoting it is parking for Tower Place residents only.
- 6) Mary Eubanks will talk to owner of building behind us regarding installation of motion sensor light on rear corner of her building. It will illuminate our parking area and rear of her building. We agreed to have Mike Jenkins do installation work as he supervises roofing repairs.
- 7) Susan Sauer is the new Secretary of HOA, with Mary Eubanks remaining as President.
- 8) The need to have a 2nd signature on Credit Union Account was discussed. Need a back-up in case of unforeseen circumstances. Susan will coordinate with Mary to sign signature card.
- 9) All landscaping projects are put on hold until cost of repairs to roof are absorbed.
- 10) There will be work party to put down weed mat (newspaper) and mulch in areas newly planted. Mary Evelyn will get free mulch from City and notify us when so we can all lay it.
- 11) Unit 12's new sump pump was checked out and approved by all.
- 12) Mary Ann and Susan will do spring cleaning of courtyard. Remaining units will apply weed killer throughout the summer.
