Re: Paul Mollchok
Case No. 2011-107
207 Baker Street (Alley)

Recommendations Regarding Abandonment Request

I have completed the review of Mr. Mollchok's request regarding Abandonment of a unopened unmaintained alley. More particularly Abandonment of an alley beginning at its intersection with the north line of the 200 block of Baker Street thence northwest some 170 feet to its intersection with the south line of the 200 block of Jarnigan Avenue. Said alley separates Lots 237 and 238, The North Side Land Company's Amended Subdivision of Lot 1 of the Cowart Estate, Plat Book 4, Page 47, ROHC. Tax Map 135E-L-006, 007, and 032 as shown on the attached map. My comments are as follows:

1. The subject alley is approximately 170' ± in length and is 15' ± in width for a combined area of 2,550 sq ft.
2. There is no sanitary sewer along the portion of Jarnigan Ave. that intersects with the subject alley and there are at least two residences that front on Jarnigan using the subject ROW for their Private Sanitary Sewer Lateral's connecting thru to the Baker Street Sanitary Sewer Main.
3. The City of Chattanooga has no infrastructure in the subject right of way.
4. The northern most portion of the subject right of way appears to be shared access to the rear of the two adjoining properties fronting Jarnigan Ave.
5. RPA Staff and Planning Commission recommended approving only a portion of the subject alley adjoining the full length of said applicant's property at 207 Baker Street (90' ±).
6. There are no Utility Owner's in opposition to the request.

Therefore, I recommend the following:

The request for abandonment of said right of way is approved with conditions.

Condition 1: Abandon the full length and width of the subject right of way and *subject to the retention of a private sanitary sewer easement for the existing private sanitary sewer lateral's the full length and width of said right of way.*

RESOLUTION

WHEREAS, Paul Mallchok petitioned the Chattanooga-Hamilton County Regional Planning Commission to recommend to the Members of the City Council of the City of Chattanooga the abandonment of an unnamed alley located in the 200 block of Baker Street.

Abandonment of an alley beginning at its intersection with the north line of the 200 block of Baker Street thence northwest some 170 feet to its intersection with the south line of the 200 block of Jarnigan Avenue. Said alley separates Lots 237 and 238, The North Side Land Company's Amended Subdivision of Lot 1 of the Cowart Estate, Plat Book 4, Page 47, ROHC. Tax Map 135E-L-006, 007, and 032 as shown on the attached map.

Staff Recommendation: Abandonment of an alley beginning at its intersection with the north line of the 200 block of Baker Street thence northwest some 88 feet to the northeast corner of Tax Map 135E-L-032. Said alley separates parts of Lots 237 and 238, The North Side Land Company's Amended Subdivision of Lot 1 of the Cowart Estate, Plat Book 4, Page 47, ROHC. Tax Map 135E-L-007 and 032 as shown on the attached map.

AND WHEREAS, the Planning Commission held a public hearing on this petition on October 10, 2011,

AND WHEREAS, the Planning Commission heard and considered all statements favoring the petition,

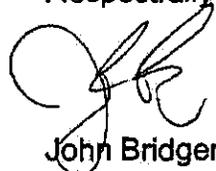

AND WHEREAS, no one was present in opposition to the petition,

AND WHEREAS, the Planning Commission has studied the existing pattern of development.

NOW THEREFORE, BE IT RESOLVED that the Planning Commission, on October 10, 2011, recommended to the Members of the City Council of the City of Chattanooga that this petition be approved only for the portion approximately 90'

Re: Right-of-Way Closure/Abandonment – Case No. 2011-107

Dear Mr. Cannon:

Thank you for your assistance yesterday concerning the captioned alley abandonment request of Alexandria Mallchok from the 200 block of Jarnigan Avenue going in a southeasterly direction to the end of the alley at the 200 block of Baker Street. As I stated, I am the owner of property located at 208 Jarnigan Avenue (Map & Parcel Number 135E L 006) which is located in the northwest section of the proposed abandonment. Also, as I explained, I am currently in need of a sewer easement across Ms. Mallchok's property in order to reconnect to the historically common City sewer line.

It is my understanding from our conversation, that all adjacent property owners will be granted their respective portions of the alley, unencumbered, for each to own and utilize as they see fit. Also, you stated the abandonment resolution, when presented to the City Council in this matter, would have a condition that I receive a sewer easement across Ms Mallchok's property.

If my understanding of our conversation was incorrect, please let me know.

Finally, if possible, please notify me when the proposed resolution will be heard before the City Council.

Sincerely yours,

William E. Matthews, M.D.

Comments

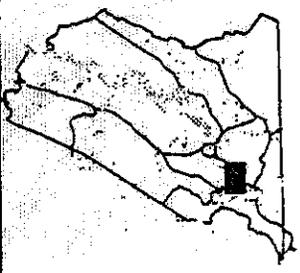

Planning Staff: Public rights-of-way are a public resource and an integral element in shaping the community. Rights-of-way contain roads and other public services, allow access to, and servicing of, individual properties along its frontage, and provide shape and form to our neighborhoods and to commercial and industrial areas. It is the policy of the Regional Planning Agency to retain rights-of-way for public use and only to recommend the permanent closure and abandonment of rights-of-way when it is concluded that the public has no further need to retain the right-of-way and that its abandonment is necessary to achieve a significant private or public interest.

Right-of-way Abandonment and Closure requests are reviewed using the Right-of-Way Closure and Abandonment Policy adopted by the Chattanooga-Hamilton County Regional Planning Commission in January 1997 and the City of Chattanooga (Resolution 24532) in
