Re: City of Chattanooga (Eric Booker)
Case No. 2012-022
5100 Block of Old Hixson Pike at Northpoint Blvd
Opened Right of Way

Recommendations Regarding Abandonment Request

I have completed the review of the City of Chattanooga's request regarding abandonment of a portion of the 5100 block of Old Hixson Pike Right-of –way beginning at the intersection of Northpoint Boulevard and Old Hixson Pike along the east right-of-way line of Old Hixson Pike thence going northeast along Old Hixson Pike for some 98 feet as shown on the Final Plat of Houston Hixson Home Place, Lot 1, not yet recorded. Tax Map 1000-B-013 as shown on the attached map. My comments are as follows:

1. The area of the subject right of way is approximately 340 sq ft. or .008 acres.
2. The City agreed to exchange a portion of right of way on Northpoint Blvd and Old Hixson Pike for improvements and concessions regarding the above mentioned intersection.
3. The City of Chattanooga has stormwater infrastructure in a portion of the subject right of way.
4. Planning Commission recommended approval, subject to the City Engineers approval.
5. The following Utility Owner's noted objections to the Abandonment:
    - Hixson Utility District
    - Comcast
    - AT&T

Therefore, I recommend the following: ***The request for abandonment of said portion of right of way is approved with conditions.***

Condition 1: ***Subject to retention of drainage and utility easements and routing rights for the City of Chattanooga, Hixson Utility District, Comcast and AT&T.***

RE:Case # 2012-022

Dear Marcia:

Comcast does not concur to the closure case(s). Comcast has active service, on a portion of the proposed closure. Comcast would agree to the closure if an alternate route was provided and the rerouting of existing plant was performed at no cost to Comcast.
