 3. With respect to work performed in connection with Section 3 covered Indian housing assistance, Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and sub- contracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of Section 3 and Section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with Section 7(b).

8. W/MBE:

The Grantee will use its best efforts to afford minority and women-owned business enterprises (at least fifty-one (51)) percent owned and controlled by minority group members or women) the maximum practicable opportunity to participate in the performance of this Agreement.

9. LABOR:

Grantee agrees that projects involving the construction (rehabilitation or new construction) of housing that includes 12 or more units assisted with HOME funds under this Agreement

shall adhere to the Davis-Bacon Act, Copeland Anti-Kickback Act (40 U.S.C. 276c), as amended, which requires all laborers and mechanics working on the project to be paid not less than prevailing wage-rates as determined by the Secretary of Labor. By reason of the foregoing requirement, the Contract Work Hours and Safety Standards Act (40 U.S.C. 327 et seq.) also applies. These requirements apply to the rehabilitation of residential property only if such property contains eight or more units.

10. ENVIRONMENTAL ASSESSMENT AND HISTORIC PRESERVATION:

Grantee agrees that in accordance with the National Environmental Policy Act of 1969 and 24 CFR part 58, it will cooperate with the City in complying with the Act and regulations, and that no activities will be undertaken until notified by the City that the activity is in compliance with the Act and regulations. Prior to beginning an activity, an environmental review must be conducted on each activity by the Community Development staff.

In accordance with 24 CFR part 58 and the environmental review required on each activity, effective July 1, 2004, the Grantee may be charged a fee of \$100.00 per environmental review. The fee will be charged against the grant amount as approved.

11. LEAD-BASED PAINT POISONING PREVENTION:

The Grantee shall comply with requirements of Section 302 of the Lead-Based Paint Poisoning Prevention Act and HUD regulations thereunder (24 CFR 92.355) insofar as they apply to the performance of this Agreement.

12. TERMINATION OF AGREEMENT FOR CAUSE:

If the Grantee fails to fulfill its obligations under this Agreement in a timely and proper manner, or if the Grantee violates any of the terms, agreements or stipulations of this Agreement, the City shall thereupon have the right to terminate this Agreement by giving written notice to the Grantee of such termination, specifying the default or defaults, and stating that this Agreement shall be terminated 30 days after the giving of such notice unless such default or defaults are remedied within such cure period. The City shall be obligated to make no payment due hereunder after it gives said notice unless the defaults are remedied within said 30-day period. In the event of such termination, the Grantee shall promptly repay to the City the full loan amount or that portion of the amounts that have been disbursed to the Grantee prior to such termination.

13. TERMINATION OF AGREEMENT FOR CONVENIENCE:

The City may terminate for its convenience this Agreement at any time by giving at least thirty (30) days' notice in writing to the Grantee. If the Agreement is terminated by the City, as provided herein, the City will reimburse for any actual and approved expenses incurred, including those costs involved in terminating the contracts and shutting down the work as of the date of the notice, and the Grantee will be paid as a fee an amount, which bears the same ratio to the total compensation as the services actually performed bear to the total service of the Grantee covered by this Agreement, less payments of compensation previously made.

14. DEFAULT – LOSS OF GRANT FUNDS:

- A. If the Grantee fails in any manner to fully perform or carry out any of the terms, covenants, and conditions of this Agreement, and more particularly if the Grantee refuses or fails to proceed with the work with such diligence as will ensure its completion within the time limits set forth in Paragraph 2 of this Agreement, the Grantee shall be in default and notice in writing shall be given to the Grantee of such default by the City or an agent of the City. If the Grantee fails to cure such default within such time as may be required by such notice, the City may, at its option, terminate and cancel this Agreement.
- B. In the event of such termination, all grant funds awarded to the Grantee pursuant to this Agreement shall be immediately revoked and any approvals related to the Project shall immediately be deemed revoked and cancelled. In such event, the Grantee will no longer be entitled to receive any compensation for work undertaken after the date of the termination of this Agreement, as the grant funds will no longer be available for this Project.
- C. Such termination shall not affect or terminate any of the rights of the City as against the Grantee then existing, or which may thereafter accrue because of such default, and the foregoing provisions shall be in addition to all other rights and remedies available to the City under the law and the note and mortgage (if in effect), including but not limited to, compelling the Grantee to complete the Project in accordance with terms of this Agreement in a court of equity.
- D. The waiver of a breach of any term, covenant or condition hereof shall not operate as a waiver of any subsequent breach of the same or any other term, covenant or condition hereof.

15 CONFLICT OF INTEREST PROVISIONS:

The Grantee warrants and covenants that it presently has no interest and shall not acquire any interest, directly or indirectly, which could conflict in any manner or degree with the performance of its services hereunder. The Grantee further warrants and covenants that in the performance of this Agreement, no person having such interest shall be employed.

16. INTEREST OF CERTAIN FEDERAL AND OTHER OFFICIALS:

- A. No member or delegate to the Congress of the United States, and no resident Commissioner, shall be admitted to any share or part of this Agreement, or to any benefit to arise herefrom.
- B. No member of the governing body of the City, no officer, employee, official or agent of the City, or other local public official who exercises any functions or responsibilities in connection with the review, approval or carrying out of the Project to which this Agreement pertains, shall have any private interest, direct or indirect, in this Agreement.
- C. No federal funds appropriated under this Agreement shall be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence a member of Congress, an officer or employee of Congress or any federal agency in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any federal contract, grant, loan or agreement.

- D. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal Agreement, the Grantee shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- E. The Grantee shall require that the language of this certification be included in the award documents for all subrecipients and that all subrecipients shall certify and disclose accordingly.
- F. The Grantee agrees to comply with the provisions of 24 CFR 92.356.

17. GRANTOR RECOGNITION:

Any publicity generated by the Grantee for the project funded pursuant to this Agreement, during the term of this Agreement or for one year thereafter, will make reference to the contribution of the City of Chattanooga in making the project possible. The words "City of Chattanooga's Department of Neighborhood Services and Community Development; Andy Berke, Mayor" will be explicitly stated in any and all pieces of publicity, including but not limited to flyers, press releases, posters, brochures, public service announcements, interviews, and newspaper articles.

18. ASSIGNABILITY:

The Grantee shall not assign or transfer any interest in this Agreement without the prior written approval of the City. Any assignment made without such consent shall be void. This Agreement shall be binding upon and shall inure to the benefit of the successors and assigns of the parties hereto.

19. HOLD HARMLESS PROVISION:

Grantee agrees to protect, defend, indemnify, and hold the City and its officers, employees, and agents free and harmless from and against any and all losses, penalties, damages, injuries, settlements, costs, charges, professional fees or other expenses or liabilities of every kind and character arising out of or relating to any and all claims, liens, demands, obligations, actions, proceedings or causes of action of every kind and character in connection with the performance of the services provided by Grantee, its agents, servants, employees or subcontractors, or anyone directly employed by any of them for his acts any of them may be liable. This indemnification shall survive the expiration or sooner termination of this Agreement.

20. LIMITATIONS OF CITY LIABILITY - DISCLAIMER OF RELATIONSHIP:

The City shall not be liable to the Grantee, or to any party, for completion of or failure to complete any improvements which are part of the Project. Nothing contained in this Agreement, nor any act or omission of the City or the Grantee, shall be construed to create any special duty, relationship, third-party beneficiary, respondent superior, limited or general partnership, joint venture, or any association by reason of the Grantee's involvement with the City.

21. LEGAL PROVISIONS DEEMED INCLUDED

Each and every provision of any law or regulations and clause required by law or regulation to be inserted in this Agreement shall be deemed to be inserted herein, and this Agreement shall be read and enforced as though it were included herein and if, through mistake or otherwise, any such provision is not inserted or is not correctly inserted, then upon application of either party this Agreement shall forthwith be amended to make such insertion.

22. INDEPENDENT CONTRACTOR

The Grantee and its employees and agents shall be deemed to be independent contractors, and not agents or employees of the City, and shall not attain any rights or benefits under ordinances of the City, or any rights generally afforded classified or unclassified employees.

23. MISCELLANEOUS PROVISIONS

- A. If any provision of this Agreement is determined to be unenforceable or invalid, such determination shall not affect the validity of other provisions contained in this Agreement. Failure to enforce any provision of this Agreement does not affect the rights of the parties to enforce such provision in another circumstance, nor does it affect the right of the parties to enforce any of the provision of this Agreement at any time.
- B. Funding for this Agreement is contingent on the availability of funds and continued authorization for program activities and is subject to amendment or termination due to lack of funds, or authorization, reduction of funds, and/or changes in regulations.
- B. This Agreement shall be governed and construed in accordance with the laws of the State of Tennessee. Any action or proceeding arising under this Agreement shall be brought in either the courts of the State of Tennessee in Chattanooga, Tennessee or it shall be brought in a United States District Court for the Eastern District of Tennessee, Southern Division, whichever is applicable.
- C. This Agreement shall be binding upon and shall inure to the benefit of the Grantee and the City and to their respective successors and assigns.
- D. This Agreement forms the entire agreement between the City and the Grantee. Any prior representations, promises, agreements, or otherwise, between the parties, which are not embodied in this writing, will be of no force and effect.
- E. This Agreement may be executed in two or more counterparts, each of which shall be deemed to be an original, and all of which counterparts together shall constitute but one and the same instrument.

Mary, in response to your Feb 6, 2013 e-mail regarding the status of Rosewood I indicated that we are in the process of working with them to transfer the property to Community Kitchen. There are two other properties that we are also working with them on through a Request for Proposals process to get transferred to a viable entity. The City will be a party to any legal paperwork transferring the properties, ensuring the units will remain eligible throughout the required period of affordability. So that you will have it all in one document, for your convenience, I attached the e-mail that sent to you November, 29, 2012 , along with your response, that contained the details on the three properties.

Hi. The organization also had a SHP grant and that grant has now be assumed by Chattanooga Church Ministries. Under the below, you may want to review the City's lien position on each property. Also, it is the City's decision on transferring the properties. You know that for HOME properties that do not meet the affordability period, the City will be required to repay those funds back to its HOME account with nonfederal funds. The City needs to be on any legal paperwork transferring the properties to protect the funds and keep the units HOME and NSP eligible.

Any actions or changes on these properties should be reported in IDIS for HOME and DRGR for NSP. If the properties will have the same purposes of assisting LMI persons with affordable rental housing then formal amendments to the ConPlan for HOME and NSP1 are not required. The scope of the assistance will be the same.

Mary, I wanted to make you aware of an issue we are dealing with and to get your input/guidance on handling it. We provided assistance to a local organization – Rosewood Supportive Services, Inc., to develop rental housing for its special needs clients. Due to loss of funding the organization is shutting its doors. The organization wants to transfer the properties to another non-profit that serves the same cliental and that is willing to adhere to all occupancy and federal requirements through the end of the period of affordability. Following is information on the properties.

Source	Amount	Purpose	Number/Type of	Restrictive	Currently	Period of
--------	--------	---------	----------------	-------------	-----------	-----------

			unit(s)	Covenant In Place	Occupied by eligible tenants	Affordability
HOME	\$90,000.00	New construction	Group home for 8	Yes	Yes	20 years – 9/30/2029
HOME	\$60,000.00	Acquisition/Rehab	Single family home	Yes	Yes	15 years – 10/1/2025
NSP	\$75,000.00	Acquisition/Rehab	Single family home	Yes	Yes	15 years – 10/1/2025

The funds were awarded to the organization through a competitive application process, treating the organization as a grantee/recipient versus a "subrecipient". The restrictive covenant with them prohibits them from *selling, assigning or transferring any legal or equitable interest in the property prior to the end of the affordability period without prior written consent of the City*. I have attached a copy of the correspondence with the organization.

My questions are:

1. Based our letter dated November 6, 2012, are we on the right track, is there anything else we have to take into consideration?
2. Does the property have to come back to the City or can the City work with Rosewood and through some selection process to choose an entity to transfer the property to?
3. Are there any notifications/information that we need to submit to HUD regarding this issue?

Hi. Did the above organization, which is no longer in existence, receive \$80,000 in HOME funding for the construction of its permanent housing facility for the homeless? If so, what has been done to protect the HOME funding in the homeless housing facility? Please advise.

Not surprised. They really don't get involved as long as we are not violating any regulations. I just thought I would notify her after I head your message regarding your and Mike's conversation. Their expectation is for us to make sure the properties remain available for the intended use for the required time, basically do what needs to be done to ensure that. So this brings us back to "what City process are we required to follow to get the property transferred to another, eligible organization"?

Source	Amount	Purpose	Number/Type of unit(s)	Restrictive Covenant In Place	Currently Occupied by eligible tenants	Period of Affordability
HOME	\$90,000.00	New construction	Group home for 8	Yes	Yes	20 years – 9/30/2029
HOME	\$60,000.00	Acquisition/Rehab	Single family home	Yes	Yes	15 years – 10/1/2025
NSP	\$75,000.00	Acquisition/Rehab	Single family home	Yes	Yes	15 years – 10/1/2025

The funds were awarded to the organization through a competitive application process, treating the organization as a grantee/recipient versus a "subrecipient". The restrictive covenant with them prohibits them from *selling, assigning or transferring any legal or equitable interest in the property prior to the end of the affordability period without prior written consent of the City*. I have attached a copy of the correspondence with the organization.

My questions are:

1. Based our letter dated November 6, 2012, are we on the right track, is there anything else we have to take into consideration?
2. Does the property have to come back to the City or can the City work with Rosewood and through some selection process to choose an entity to transfer the property to?
3. Are there any notifications/information that we need to submit to HUD regarding this issue?

Do we need to get together for a few minutes to discuss this?

I really do not understand her response to your questions – or lack thereof.

Hi. The organization also had a SHP grant and that grant has now be assumed by Chattanooga Church Ministries. Under the below, you may want to review the City's lien position on each property. Also, it is the City's decision on transferring the properties. You know that for HOME properties that do not meet the affordability period, the City will be required to repay those funds back to its HOME account with nonfederal funds. The City needs to be on any legal paperwork transferring the properties to protect the funds and keep the units HOME and NSP eligible.

Any actions or changes on these properties should be reported in IDIS for HOME and DRGR for NSP. If the properties will have the same purposes of assisting LMI persons with affordable rental housing then formal amendments to the ConPlan for HOME and NSP1 are not required. The scope of the assistance will be the same.

Mary, I wanted to make you aware of an issue we are dealing with and to get your input/guidance on handling it. We provided assistance to a local organization – Rosewood Supportive Services, Inc., to develop rental housing for its special needs clients. Due to loss of funding the organization is shutting its doors. The organization wants to transfer the properties to another non-profit that serves the same cliental and that is willing to adhere to all occupancy and federal requirements through the end of the period of affordability. Following is information on the properties.
