Recommendations Regarding Temporary Usage Request

I have completed my review of Parkridge Valley Hospital's request regarding the Temporary Usage of the Rights of Ways in 5 locations within a 1,500 foot radius of 7351 Courage Way (see attached map). The request is regarding Directional Signs to the above mentioned facility. My comments are as follows:

- The Parkridge Valley Hospital has requested to place directional signs at 5 separate locations within approximately a 1,500 foot radius of the Hospital.
- The subject directional signs dimensions are 36" in height by 36" in width.

After review, granting this Temporary Usage does not conflict with the Public's interest. Therefore, I recommend the request for ***Temporary Usage be granted with the following conditions:***

- ***The general placements at 4 locations are acceptable as per the attached map.***
- ***The dimensions and final placement of directional signs must meet all applicable City of Chattanooga codes and standards, and final placement of said directional signs must be coordinated with the Traffic Engineering Department.***
- ***Any encroachment onto private property requires the approval of the property owner.***

Re: Request for Temporary Usage

Dear Mr. Payne:

CLOSED

2/17/2013

This is a request for a temporary usage of signage that specifies the location of the Parkridge Valley Adult and Senior Services campus, a new campus opening June 5th which provides 24-hour treatment to adult and geriatric psychiatric patients.

RECEIVED

APR 17 2013

The reason for this request is as follows:

The proposed signage locations, located on the map and marked, will enable visitors to more easily identify the location of the facility, thereby enabling them to navigate their way to the facility to receive care. Currently no signage exists to facilitate the location of the facility from approaching streets & roads - the five requested two-sided signs will assist the public to this 24-hour provider of psychiatric care.
