Applicant Request Overview

The applicants are requesting to rezone 0.15 acres of land located at 1113 East 11th Street from R-1 Residential Zone to R-4 Special Zone and combine the property with an existing R-4 Special Zone parcel to provide off-street parking for a proposed sorority.

Site Description

The property contains a single-family residence. The surrounding properties are residential and commercial, and fraternity and sorority uses.

Zoning History

In 2008, neighboring property at 1106 East 11th Street was rezoned (Ordinance No. 12176) from R-1 Residential Zone to R-4 Special Zone to allow for the development of a new fraternity.

Plans/Policies

Development in the subject area is guided by the Comprehensive Plan 2030 (2006), Urban Overlay Zone, and the MLK Community Plan (2009).

The subject property falls within the Urban Infill Development Sector, as identified in the countywide Comprehensive Plan 2030, which is defined by neighborhoods with identifiable edges, denser and primarily residential urban fabric. The plan recommends that new development within this sector follow urban patterns with smaller blocks, connected street grid, alleys, smaller lots and shallow building setbacks.

The subject property also lies within the Urban Overlay Zone. This zone was created to maintain the physical layout of this older urban area. The overlay zone is a tool to deal with special requirements and is placed over the existing zoning to alter some of the regulations. Under certain conditions, a reduction in required parking for both residential uses may be applied within the overlay zone.

The approved land use plan for this area is the MLK Community Plan adopted by Chattanooga City Council in 2009. The following development policies from the MLK Community Plan are the most applicable to the proposed development:

- The area between 10th and 11th Streets has been approved for fraternity and sorority houses.
- Any new fraternity housing in this area should be designed to allow a transition from group housing to market rate housing

RPA STAFF RECOMMENDATION

	<p>such as condos, apartments or townhouses in the future.</p> <ul style="list-style-type: none">• To achieve the city's goal of a 15% tree canopy cover in the urban areas, surface parking lots shall be landscaped with a minimum of one tree for every five parking spaces. <p>Staff Recommendation Staff recommends approval of this rezoning request as the applicant's proposed use was found to meet the intent of the Comprehensive Plan, the adopted land use plan, and to be compatible with adjacent and surrounding land uses.</p>
Infrastructure & Operational Comments	
Public Works Staff:	<p>All land development projects are reviewed by City Engineering & Water Quality staff, Traffic Engineering & Operations staff, and the Land Development Office staff. In addition to the requirements of the City of Chattanooga Zoning Ordinance, all land development is further required to comply with current City of Chattanooga traffic regulations, building and development codes, storm water/water quality regulations, and the landscape ordinance.</p>
