Case No. 2013-043  
200 Block of Spears Avenue  
Recommendations for Requested ROW Abandonment

---

I have completed the review of Wise North Shore LLC's request regarding abandonment of a portion of right of way. More particularly abandonment of an unopened 25 foot alley beginning at its intersection with the east line of the 200 block of Spears Avenue thence southeast some 225 feet to the west line of the 200 block of Velma Street. Said 25 foot alley separates Lots 1 thru 9 from Lots 10 and 23 Block B, Cherokee Land Company's Subdivision, Plat Book 12, Page 30, ROHC. Tax map 135E-A-015 and 016 as shown on the attached map. My comments are as follows:

1. The portion of subject alley that intersects with the east line of the 200 block of Spears Avenue is approximately 225' in length and 25' in width for a combined area of 5,625 sq. ft.
2. The City of Chattanooga does have infrastructure (Sewer and Stormwater) in the subject alley, but the sanitary sewer dead ends in the subject right of way and services only the applicant's two adjoining properties.
3. Planning Commission recommended approval of the abandonment for the east west alley which intersects with the east line of the 200 block of Spears Avenue.
4. The following Utility Owners noted objections to the abandonment of the subject alley:
  - City of Chattanooga (sanitary sewer only)
  - Chattanooga Gas
  - AT&T
5. City Traffic Engineer requires a plan for parking and service access. 

After review, granting the abandonment of the subject portion of right of way does not conflict with the Public's interest, therefore, I recommend the following: **The request for abandonment of said portion of right of way is approved with conditions.**

**Condition 1:** Subject to the retention of utility easements for the City of Chattanooga (sanitary sewer only), Chattanooga Gas Company, and AT&T.

**Condition 2:** Subject to the attached site plan prepared by Rocky Chambers, P.E., dated July 12, 2013, Rev. 12.

Ben, please send Angela Patton a copy of the approved plan in order to attach it to the abandonment case as a condition per my discussions with John Van Winkle. Once she has that I can send the abandonment forward for placement on the Council agenda.

At this point, assuming we get that site plan this week, I can carry the case up next Tuesday for consideration to place on the August 6 agenda for first reading.

John,  
I checked with Angela Patton this morning and she does not have it in the file folder for Bill Payne to process. My understanding from Ed Bowen is it is still being held by Ben Taylor at this point and until he communicates his approval of your plan revisions and any Traffic Engineering concerns it will not be processed by Mr. Payne.
