RPA STAFF RECOMMENDATION

Case Number:	2013-073	PC Meeting Date: 07-08-2013
STAFF RECOMMENDATION:	<p>APPROVE, subject to the abandonment of the property line between the subject property at 2910 Silverdale Road and the property at 2906 Silverdale Road. The proposed parking lot at 2901 Silverdale Road is an accessory use to the proposed office building at 2906 Silverdale Road.</p>	
Land Use & Transportation Comments		
Planning Staff:	<p><u>Applicant Request Overview</u> The applicant is requesting to rezone 2910 Silverdale Road from R-1 Residential Zone to O-1 Office Zone for a surface parking lot to serve a proposed office building on the adjacent lot at 2906 Silverdale Road.</p> <p><u>Site Description</u> The subject property is a 0.35 acre parcel with a single-family residence. To the south is a single-family residence zoned O-1 Office. To the north is a parking lot serving Silverdale Academy. To the east is a manufactured home park which fronts Lee Highway.</p> <p>The existing land development pattern in the area consists of surface parking lots, office buildings, a school/church and residences.</p> <p><u>Plans/Policies</u> The O-1 Office Zone does not identify parking lots as a permitted use. Surface parking lots can be included in the O-1 Office Zone as accessory uses to a primary use on the same lot, therefore the applicant must identify a primary use on the same property.</p> <p>The Shallowford Road – Lee Highway Area Plan (2005) recommends Single Unit Residential development for the site and a variety of uses (office, single-unit residential, heavy business mix and high-density residential) for the surrounding area. The plan recommends Single Unit Residential for the area north of this site which has developed with parking lots and for the property west of this site developed with the Silverdale Baptist Church/Silverdale Academy campus.</p> <p><u>Staff Recommendation</u> Based on the existing development patterns in the area and the community plan's land use recommendation for non-residential uses for adjoining property, the staff recommends to approve the rezoning to O-1 Office with the following condition:</p> <ul style="list-style-type: none"> ▪ Abandonment of the property line between the subject property at 2910 Silverdale Road and the property at 2906 Silverdale Road. The proposed parking lot at 2901 Silverdale Road is an accessory use to the proposed office building at 2906 Silverdale Road. 	

RPA STAFF RECOMMENDATION

	<p>This condition of consolidating the properties will allow the proposed parking lot to serve as an accessory use to the proposed office building, which is in compliance with the O-1 Office Zone requirements.</p>
Infrastructure & Operational Comments	
Public Works Staff:	<p>All land development projects are reviewed by City Engineering & Water Quality staff, Traffic Engineering & Operations staff, and the Land Development Office staff. In addition to the requirements of the City of Chattanooga Zoning Ordinance, all land development is further required to comply with current City of Chattanooga traffic regulations, building and development codes, storm water/water quality regulations, and the landscape ordinance.</p> <p>Additional requirements, if needed, are indicated by department below either as comments or as conditions recommended to be attached to the final ordinance.</p> <p><u>Traffic Engineering & Operations</u> Extend curb and gutter to southern corner of Walker and keep a 25 foot radius at the corner.</p>
