RE: Recommendation of Award – W-10-006-201 Pineville Road Sewer Basin

Dear Ms. Cannella:

As you are aware, bids were received on November 8, 2013 for the above referenced project. Hurst Excavating, LLC submitted the lowest total bid of \$1,115,435.00.

We have completed our review of the bid documents and find them in order. Littlejohn Engineering Associates, Inc (LEA) also checked all submitted references, as well as requesting and checking additional pumping station related project references from the contractor. All references were highly complementary of their past performance on projects. A tabulation of the bids is attached for your use.

As a result of this investigation, we recommend Hurst Excavating, LLC as the successful, responsive and responsible low bidder for the project.

Sincerely,

LITTLEJOHN ENGINEERING ASSOCIATES, INC.
