Recommendations Regarding Temporary Usage Request

---

I have completed my review of Mr. Atchley's request regarding the Temporary Usage of the right-of-way for installation of five gateway signs for identification at the five entrances of Brainerd Road median at Missionary Ridge Tunnel; Brainerd Road shoulder at Tunnel Blvd. or the northern shoulder of 3400 block of Brainerd Road; Seminole Drive shoulder at Rosemont; Tunnel Blvd. shoulder at Pinewood; Tunnel Blvd. shoulder at Ridgeside Drive as shown on the attached map, photos, and drawing. My comments are as follows:

- The applicant wants to install Olde Town Brainerd Neighborhood gateway signs.

After review, granting this Temporary Usage does not conflict with the public's interest. Therefore, I recommend that the request for *Temporary Usage be granted with these conditions:*

- The applicant's signs cannot have a height greater than 36" above the ground.
- Locations are to be approved by Traffic Engineering before installation.
