OVERVIEW

Through individual corporate philanthropy, the outdoor industry has been a national leader in supporting efforts that connect current and future generations to the outdoors. The Outdoor Foundation, through its signature event, Outsiders Ball, is bringing together outdoor companies of all shapes and sizes, from all sectors, to support great projects that inspire a new generation of outdoor enthusiasts.

Outsiders Ball funding will support retailer-recommended projects -- investing in the most effective on-the-ground programs across the country. The Outdoor Foundation will work in partnership with leading outdoor companies and local outdoor retailers to identify and select the funded projects -- ensuring local support and project sustainability.

The Outdoor Foundation recognizes that sometimes the smallest award can make the greatest difference. The Outsiders Ball Project Fund will award grants up to \$1,000 to projects that directly result in young people engaging in outdoor recreation.

Deadline: Applications will be considered on a rolling basis. Begin by clicking on the APPLY NOW button to the right.

PROJECT REQUIREMENTS

1. Projects must be managed by a 501c-3 not-for-profit organization (funds will be awarded to these charities).
2. Projects must increase participation in outdoor recreation among young people.
3. Projects should have clear goals and measurable objectives.
4. Project outcomes must include high-resolution photos highlighting project impact.
5. Projects should have a local outdoor retailer partner involved in the program.

We would be asking for \$1000 to support the adaptive kayaking program to help purchase a tandem kayak to meet the needs of our individuals who need the stability of not only a tandem but of being assisted by someone else in the boat.
