Description / Justification (Add more pages if necessary)

In April 2014, The City of Chattanooga requested Volkert to stop work on the current design and to utilize a portion of the remaining funds to develop a new conceptual layout for approval. A Revised conceptual layout was developed and approved. A supplemental agreement is required to complete the right-of-way and construction plans and contract documents based on the new project limits to include:

- Right turn lane from SB Gunbarrel Road onto WB Shallowford Road,
- Relocate McCutcheon Road,
- Left turn lane from Gunbarrel Road onto McCutcheon Road,
- Mini-roundabout at Min-Tom Road,
- Left turn lane into Waterside Development from Gunbarrel Road (north of Min-Tom),
- Miscellaneous improvements to existing roadway including asphalt overlay and culvert crossing.
- New Line Item for Survey Services was added to the scope.

The Invoice line items will be reallocated as shown on CRF-E2.

The terms and conditions of this Change Order, including the cost and time contained herein, constitute a full accord and complete satisfaction for all costs and time of performance related to the work described or referenced herein, including but not limited to, all delay and impact costs for the entire Project resulting from this Change Order. Except as amended herein, all provisions of the Contract remain in full force and effect.
