Re:

Temporary Usage Request #130354

100 Market Street (District 7)
Mark Baldwin for Richard Krause

Recommendations Regarding Temporary Usage Request

I have completed my review of Mr. Baldwin's request regarding the Temporary Usage of the right-of-way for use of the sidewalk in front of 100 Market Street as shown on the attached photo and drawings. My comments are as follows:

- He wants to install a rail as shown and put tables and chairs within the alignment.
- There will be a gate with egress hardware.

After review, granting this Temporary Usage does not conflict with the public's interest. Therefore, I recommend that the request for *Temporary Usage be granted with this condition:*

This must not restrict / interfere with pedestrian space.
