Debie,

We received the votes for naming the alley that connects Adams Street and Jefferson Street and that will serve as the sole point of access for part of the East by Main Development. There were 3 votes for Kennedy Alley (majority) and 2 votes for Coolidge Alley. The only addressing that will be affected by this change is the new development and unfortunately their name choice of Coolidge Alley was not the majority winner. I attached the completed forms for you as well as the map that went to the residents. Would you like me to go ahead and make a map for you to take to City Council? I know you have to prepare the three week look ahead first so I wasn't sure when exactly you would need that version.

Thanks!
