The block range is 100 – 199.

We gave the adjacent owners and the affected owners the option of choosing between Raider Ln and Tiger Ln.

We received three votes for Raider Ln. This was enough for a majority. We did not hear from EPB nor the City; and two (2) property owners are affected by the address change (EPB Station and City Pump Station)

Reason for Change – Duplicate block range each in Red Bank and the City which created a 911 issue in who should respond; and a 911 call had difficulty in finding the correct place of the emergency for the construction accident and went to the wrong address.

Signal Mountain road & Old Signal Mountain road have the same block range; and in addition the addresses are duplicated in Red Bank & Chattanooga City limits – which further complicates a 911 call.

Baylor School was notified as a courtesy for the change even though they were not affected; and wanted them to be aware to provide them with information for directions to their facility on the new road name.
