John Bridger, Executive Director of Regional Planning, made a presentation on the key findings and recommendations from the Planning Commission and staff. He also read the three (3) conditions currently listed in the ordinance. The Applicant and the Opposition were present. Therefore, a hearing ensued.

On behalf of the Applicant:

● **John Wise (Developer)** - He commented on meeting with the neighbors and Councilman Henderson, and making some adjustments. He also confirmed for Councilman Henderson that the number of parking spaces had been increased to one space less than the total number of units and that the increased parking was not on the drawing currently displayed for the Assembly. Chairman Mitchell confirmed that Mr. Wise was satisfied with the current conditions.

On behalf of the Opposition:

● **Shawn Trivette (Stringer Street)** - He indicated that he was no longer opposed to the project. He is satisfied with the current conditions and appreciates the additional parking and no longer opposes the project.

● **Karen Reed (Stringer Street)** – She wanted to ensure that the neighborhood was protected and not interrupted by this development.

Councilman Henderson informed the Council that some changes relating to existing barns and future barns had been added to the Alternate Version #3, which makes it clear that new barns would be located 150 feet from existing residential areas and that existing barns would be grandfathered in, whether for any kind of livestock or fowl. Therefore, Chairman Henderson moved to substitute Alternate Version #3 and take the ordinance to first reading. He was seconded by Councilman Ledford. Councilman Ledford noted that any confusion over the language in the “Whereas” clause on the 150-feet setback had been corrected. Upon no further comments, the motion carried upon roll call vote as follows:

He did not agree with CDOT’s recommendation for a secondary access. Instead, he recommends use of the roundabouts. He discussed no longer needing Fred Lane due to this public right-of-way.
