Re: Tammy Hass

Case No. 2009-004

Alley @ the north line of the 2700 block of East 17th Street Recommendations for Requested ROW Abandonment

I have completed the review of Tammy Hass's request regarding abandonment of the right of way more particularly the alley beginning at the north line of the 2700 block of E. 17th Street. (Please see attachments). My comments are as follows:

- The existing width of the right of way is approximately 10' ± in width and approximately 120' ± in length.
- The applicant owns the adjoining properties.

After review of the Abandonment request, maintaining the above referenced right-of-way does not serve the Public's interest.

Therefore, I recommend the following:

The request for abandonment of said rights of way is approved.
