

RESOLUTION NO. 25682

A RESOLUTION TO MAKE CERTAIN FINDINGS RELATING TO THE RIVERCITY COMPANY PROJECT, TO DELEGATE CERTAIN AUTHORITY TO THE INDUSTRIAL DEVELOPMENT BOARD OF THE CITY OF CHATTANOOGA, AND TO AUTHORIZE THE MAYOR TO ENTER INTO AND EXECUTE AN AGREEMENT FOR PAYMENTS IN LIEU OF AD VALOREM TAXES.

---

WHEREAS, pursuant to Tennessee Code Annotated, Section 7-53-305(b) the City of Chattanooga, Tennessee (the "City") is permitted to delegate to The Industrial Development Board of the City of Chattanooga (the "Board") the authority to negotiate and accept payments in lieu of ad valorem taxes from lessees of the Board upon a finding by the City that such payments are deemed to be in furtherance of the Board's public purposes; and

WHEREAS, the Tennessee Valley Authority owns certain land in the City and has conveyed a permanent easement thereon to The RiverCity Company, and The RiverCity Company is contemplating the construction of a building and other real property improvements to be located on a portion thereof in connection with the operation of a movie theater (collectively the "Project"); and

WHEREAS, because of the substantial economic benefits to the City and Hamilton County, Tennessee resulting from the Project, The RiverCity Company has asked the Board and the City to approve payments in lieu of ad valorem taxes; and

WHEREAS, the City has determined that payments in lieu of ad valorem taxes from the Project would be in furtherance of the Board's public purposes as set forth within Chapter 53 of Title 7 of the Tennessee Code Annotated;

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CHATTANOOGA, TENNESSEE, That we do hereby find that the Project is in the best interest of the City and that the payments in lieu of ad valorem taxes derived therefrom would be in furtherance of the Board's public purposes.

BE IT FURTHER RESOLVED, That, having made such a finding in this instance, we do hereby delegate to the Board the authority to negotiate and accept payments in lieu of ad valorem taxes from The RiverCity Company, it being further noted that this delegation is for this purpose and this project only.

BE IT FURTHER RESOLVED, That the Mayor is hereby authorized to enter into an Agreement for Payments In Lieu Of Ad Valorem Taxes in the form attached hereto, with such changes thereto as he shall approve.

ADOPTED September 30, 2008

**AGREEMENT FOR PAYMENTS IN LIEU  
OF AD VALOREM TAXES**

**THIS AGREEMENT FOR PAYMENTS IN LIEU OF AD VALOREM TAXES** (this "Agreement") is made and entered into as of this the \_\_\_ day of \_\_\_\_\_, 2008, by and among **THE INDUSTRIAL DEVELOPMENT BOARD OF THE CITY OF CHATTANOOGA** (the "Board"); **THE RIVERCITY COMPANY**, a Tennessee not-for-profit corporation (the "Company"); the **CITY OF CHATTANOOGA, TENNESSEE** (the "City"); and **HAMILTON COUNTY, TENNESSEE** (the "County") and is joined in, for purposes of evidencing their acceptance of the agency relationship established herein, by **CARL E. LEVI and his successors, acting in the capacity of HAMILTON COUNTY TRUSTEE** ("Trustee"), and by **WILLIAM C. BENNETT and his successors, acting in the capacity of HAMILTON COUNTY ASSESSOR OF PROPERTY** ("Assessor").

**WITNESSETH:**

**WHEREAS**, the Company is contemplating the construction of a movie theater and other ancillary real property improvements (the "Project") on certain land located in Chattanooga, Hamilton County Tennessee and described in Exhibit A, attached hereto (the "Land" and together with the movie theater and all other real property improvements to be constructed thereon, the "Property"); and

**WHEREAS**, the Company anticipates that the Project will require a real property investment of approximately Seven Million and no/100 Dollars (\$7,000,000.00) (the "Capital Investment Projection") and, accordingly, has requested the Board's assistance with the financing of the Project; and

**WHEREAS**, substantial economic benefits to the City and County economies will be derived from the Project; and

**WHEREAS**, the Board has agreed to take title (in the form of a perpetual easement granted by the Tennessee Valley Authority) to the Property and to lease the Property to the Company pursuant to a Lease Agreement of even date herewith (the "Lease"); and

**WHEREAS**, because the Property will be owned by the Board, which is a public corporation organized under the provisions of Tennessee Code Annotated, § 7-53-101, *et seq.*, the Property will be exempt from all ad valorem property taxes ("property taxes") normally paid to the City and to the County, so long as the Property is owned by the Board, pursuant to the provisions of Tennessee Code Annotated § 7-53-305; and

**WHEREAS**, for the public benefit of the citizens of the City and the County, the Board has requested that the Company make certain payments to the Board in lieu of the payment of property taxes that would otherwise be payable on the Property; and

**WHEREAS**, the Company has agreed to make such payments to the Board in lieu of the property taxes otherwise payable on the Property (the "In Lieu Payments"), as more particularly set forth hereinafter; and

**WHEREAS**, the Board has been authorized to receive the In Lieu Payments in lieu of property taxes by resolutions adopted by the City and the County, acting through their duly elected Council and Commission, respectively, which resolutions delegate to the Board the authority to accept the In Lieu Payments upon compliance with certain terms and conditions, including, without limitation, the requirement that the Board collect and expend such payments in furtherance of the public purposes for which the Board was created; and

**WHEREAS**, the Company and the Board have agreed that all In Lieu Payments made to the Board by the Company shall be paid to the Trustee, who shall disburse such amounts to the general funds of the City and the County in accordance with the requirements specified herein; and

**WHEREAS**, the Board wishes to designate the Assessor as its agent to appraise the Property and to assess a percentage of its value in the manner specified herein; and

**WHEREAS**, the Board wishes to designate the Trustee as its agent to receive the In Lieu Payments in accordance with the terms of this Agreement;

**NOW, THEREFORE, IN CONSIDERATION OF** the mutual covenants and agreements set forth herein, the parties hereto agree as follows:

1. Designation of Assessor; Appraisal and Assessment of Property. The Board hereby designates the Assessor as its agent to appraise and assess the Property. The Assessor shall appraise and assess the Property in accordance with the Constitution and laws of the State of Tennessee as though the Property were subject to property taxes. The Assessor shall give the Trustee, the City Treasurer, the Board, and the Company written notice of any changes in appraisals of the Property in the same manner that notices are given to owners of taxable property. The Assessor shall make available to the Board and the Company all records relating to the appraisal and assessment of the Property.

2. Designation of Trustee; Computation and Billing of Payments In Lieu of Taxes. The Board hereby designates the Trustee as its agent to compute the amounts of the In Lieu Payments, to receive such payments from the Company and to disburse such payments to the City and the County. On or about October 1 of each year during the term of this Agreement, the Trustee shall compute the taxes which would be payable on the Property as if it were subject to property taxes, in accordance with the Constitution and laws of the State of Tennessee and in accordance with the appraisal and assessment of the Assessor. Each year hereunder, the Trustee shall send the Board and the Company a bill for the appropriate amount of In Lieu Payments (the "Tax Bill").

3. Payments in Lieu of Taxes. After receipt of the Tax Bill, the Company shall pay to the Trustee the amount indicated on the Tax Bill in accordance with the amounts set forth below in Paragraph 4. The In Lieu Payments shall be made by the Company in lieu of the property taxes which would otherwise be payable on the Property if it were subject to property taxes.

4. Amount of Payments by the Company. For any period hereunder occurring before January 1, 2010 or after December 31, 2024, and during which the Property is owned by the Board, the Company shall make In Lieu Payments in an amount, as determined by the Assessor and the Trustee, equal to one hundred percent (100%) of the amount of taxes that would have been payable on the Property as if it were subject to property taxes. For each of the years 2010 through 2024, the Company shall make In Lieu Payments in an amount determined by the Assessor and the Trustee equal to the following percentages of the taxes that would have been payable on the Property as if it were subject to property taxes for the respective years shown:

<u>Years</u>	<u>Percentages</u>
2010 - 2024	29.2%

The parties acknowledge that the amount of real property taxes to support County schools currently represents twenty-nine and two-tenths percent (29.2%) of the total amount of the real property taxes that would have been payable on the Property if the Property were subject to real property taxes and further acknowledge that one hundred percent (100%) of such In Lieu Payments for years 2010 through 2024 shall be directed by the Trustee to support the County school system. In all other cases, the Company shall make In Lieu Payments in an amount equal to one hundred percent (100%) of the amount of taxes that would have been payable on the Property if it were subject to property taxes.

5. Penalties and Late Charges. The Company shall make the In Lieu Payments for each year before March 1 of the following year. Except as otherwise provided in Paragraph 19, all In Lieu Payments shall be subject to penalties, late charges, fees and interest charges as follows:

(a) If the Company fails to make any In Lieu Payment before it becomes delinquent, and such failure to pay shall continue and not be fully paid within thirty (30) days after written notice of such nonpayment has been provided, then a late charge shall be

charged and shall also be immediately due and payable. The late charge shall be in the amount of one and one-half percent (1.5%) of the owed amount, for each month that each payment has been unpaid. Such one and one-half percent (1.5%) per month late charge amount shall accumulate each month and be payable so long as there remains any outstanding unpaid amount.

(b) If the Company should fail to pay all amounts and late charges due as provided hereinabove, then the Board, the City or the County may bring suit in the Chancery Court of Hamilton County to seek to recover the In Lieu Payments due, late charges, expenses and costs of collection in addition to reasonable attorneys' fees.

6. PILOT Investment Reporting.

(a) In order to determine the extent to which the Company achieves the Capital Investment Projection upon which the In Lieu Payments have been calculated, within one (1) year following the completion of the Project, the Company shall submit to the City and County, on a form reasonably acceptable to the City and the County, documentation of the Capital Investment Projection.

(b) If the Company fails to achieve the Capital Investment Projection, then the City and the County reserve the right to terminate the benefits of this Agreement for any years remaining hereunder.

(c) If the Company closes the Project or moves the Project from the City during the term hereof, the City and/or the County reserve the right to require the partial repayment of amounts that would have been payable on the Property if it were subject to property taxes.

7. Disbursements by Trustee. All sums received by the Trustee pursuant to Paragraph 3 hereof shall be disbursed to the general funds of the City and the County in accordance with this paragraph and in accordance with the normal requirements of law governing the settlement and paying over of taxes to counties and municipalities. All sums

received shall be divided into two (2) accounts, one for the use and benefit of the City and the other for the use and benefit of the County. The account for the use and benefit of the City shall be funded with the proportionate amount to which the In Lieu Payments are attributable to property taxes which would otherwise be owed to the City, and the account for the use and benefit of the County shall be funded with the proportionate amount to which the In Lieu Payments are attributable to property taxes which would otherwise be owed to the County. All disbursements to the general funds of the City and County shall be made by the Trustee subject to the requirement that all funds disbursed may be used by the City and the County only in furtherance of the public purposes of the Board, as described in Tennessee Code Annotated § 7-53-102.

8. Contest by the Company. The Company shall have the right to contest the appraisal or assessment of the Property by the Assessor and the computation by the Trustee of the amount of the In Lieu Payments. If the Company contests any such appraisal or assessment, then it shall present evidence to the Assessor in favor of its position. Likewise, if the Company contests any such payment computation, it shall present evidence to the Trustee in favor of its position. If the In Lieu Payments being contested shall be or become due and payable, the Company shall make such payments under protest. The Company and the Assessor or the Trustee, as the case may be, shall negotiate in good faith to resolve any disputes as to appraisal, assessment or computation. If the Company and the Assessor or the Trustee are unable to resolve a dispute, then the Company may file suit in the Chancery Court of Hamilton County to ask that the provisions of this Agreement, including those covering appraisal, assessment and computation, be construed or applied to the relevant facts by the Chancery Court in order to resolve such dispute.

~~9. Lien on Property. Any amounts which remain payable under this Agreement shall become a lien on the Property, and such lien shall be enforceable against the Property in the event that any payment owing hereunder is not timely made in accordance with this Agreement.~~

10. Term. This Agreement shall become effective on the date that the Board attains title to the Property and shall continue for so long as the Board holds title to any of the Property or the Company has made all payments required hereunder, whichever shall later occur.

11. Leasehold Taxation. If the leasehold interest of the Company should be subject to ad valorem taxation, then any amounts assessed as taxes thereon shall be credited against any In Lieu Payments due hereunder.

12. Notices, etc. All notices and other communications provided for hereunder shall be written, and mailed via registered or certified mail or delivered via overnight express carrier, to the following addresses:

13. No Waiver; Remedies. No failure on the part of any party hereto, and no delay in exercising any right under this Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right under this Agreement preclude any other or further exercise thereof or the exercise of any other right. The remedies provided in this Agreement are cumulative and are not exclusive of any remedies provided by law.

14. Severability. In the event that any clause or provision of this Agreement shall be held to be invalid by any court or jurisdiction, the invalidity of any such clause or provision shall not affect any of the remaining provisions of this Agreement.

15. No Liability of Board's Officers. No recourse under or upon any obligation, covenant or agreement contained in this Agreement shall be had against any incorporator, member, director or officer, as such, of the Board, whether past, present or future, either directly or through the Board. Any and all personal liability of every nature, whether at common law or in equity, or by statute or by constitution or otherwise, of any such incorporator, member, director or officer, as such, is hereby expressly waived and released as a condition of and consideration for the execution of this Agreement.

### ASSIGNMENT, SUBLEASING, PLEDGING AND SELLING

Section 9.01 Assignment or Subleasing. This Agreement may be assigned (including collateral assignments, leasehold mortgages and similar pledges) and the Property may be subleased, as a whole or in part, by the Company without the prior written consent of the Board provided that:

(a) Unless authorized in writing by the Board, no assignment shall relieve the Company from primary liability for any of its obligations hereunder, and, in the event of any such assignment, the Company shall continue to remain primarily liable for performance and observance of the agreements on its part herein provided to be performed and observed by it to the same extent as though no assignment had been made.

(b) The assignee or sublessee shall assume the obligations of the Company hereunder to the extent of the interest assigned or subleased.

Section 9.02 Restrictions on Sale of Property by Board. The Board agrees that, except for transactions effected in accordance with Section 11.03 hereof, it will not sell, assign, encumber, transfer or convey the Property during the Lease Term or create or suffer to be created any debt, lien or charge on the rents, revenues or receipts arising out of or in connection with its ownership of the Property, and it will not take any other action which may reasonably be construed as tending to cause or induce the levy or assessment of ad valorem taxes; provided, that if the laws of the State of Tennessee at the time shall permit, nothing contained in this Section shall prevent the consolidation of the Board with, or merger into, or transfer of the Property as an entirety to, any public corporation whose property and income are not subject to taxation and which has corporate authority to carry on the business of owning, leasing and selling of the Property; provided that such consolidation, merger or transfer shall be authorized by the governing body of the City.

### EVENTS OF DEFAULT AND REMEDIES

Section 10.01 Events of Default Defined. The following shall be "events of default" under this Agreement, and the terms "event of default" or "default" shall mean, whenever they are used in this Agreement, any one or more of the following events:

(a) The failure by the Board or the Company to observe and perform any covenant, condition or agreement on its part to be observed or performed, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied is given to one party by the other, unless the one giving notice shall agree in writing to an extension of such time prior to its expiration. If a failure under this Section 10.01(a) is such that it can be corrected but not within the applicable period, it shall not constitute an event of default if

appropriate corrective action is instituted within the applicable period and diligently pursued until the default is corrected.

(b) A voluntary Act of Bankruptcy or an Act of Bankruptcy which, if resulting from the filing or commencement of involuntary proceedings against either of the Company or the Board, is not dismissed or discharged within sixty (60) days of the filing or commencement thereof.

The foregoing provisions of subsection (a) of this Section are subject to the following limitations: if by reasons of force majeure, the Board or the Company is unable in whole or in part to carry out the agreements on its part herein referred to, the failure to perform such agreements due to such inability shall not constitute an event of default nor shall it become an event of default upon appropriate notification or the passage of this stated period of time. The term "force majeure" as used herein shall mean, without limitation, the following: acts of God; strikes, lockouts or other industrial disturbances; act of public enemies; orders of any kind of the government of the United States of America or of the State of Tennessee or any of their respective departments, agencies, political subdivisions or officials, or any civil or military authority; insurrections; riots; epidemics; landslides; lightning; earthquakes; fires, hurricanes, tornadoes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions; breakage or accident to machinery, transmission pipes or canals; partial or entire failure of utilities; or any other cause or event not reasonably within the control of the Board or the Company. The Board and the Company agree, however, to remedy with all reasonable dispatch the cause or causes preventing it from carrying out its agreements; provided, that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of the Board or the Company, as the case may be and the Board and the Company shall not be required to make settlement of strikes, lockouts and other industrial disturbances by acceding to the demands of the opposing party or parties when such course is, in the judgment of the Board or the Company, unfavorable to it.

Section 10.02 Remedies on Default. Whenever any event of default referred to in Section 10.01 hereof shall have occurred and be subsisting, the Board or the Company, as the case may be, may take whatever action at law or in equity may appear necessary or desirable to enforce performance and observance of any obligation, agreement, or covenant under this Agreement.

Section 11.01 Options to Terminate. The Company shall have the following options to cancel or terminate the term of this Agreement:

(a) At any time, the Company may terminate the Lease Term by giving written notice to the Board of such termination. The Company's cancellation and

termination options hereunder will not be impaired or otherwise affected by any default or alleged default on the part of the Company under this Agreement.

(b) At any time, the Company may terminate this Agreement as to a part of the Project by giving written notice to the Board of such termination, and such termination shall forthwith become effective as to that part of the Project.

This option may be exercised whether or not the Company is in default hereunder.

Section 11.03 Conveyance on Exercise of Option. Upon exercise of either of the options granted above, the Board will, upon receipt of the purchase price, deliver to the Company documents conveying to the Company title to the Property or to part of the Property, as the case shall be, by appropriate deeds, subject only to

(a) those liens and encumbrances, if any, to which title to said property was subject when conveyed to the Board;

(b) those liens and encumbrances created by or with the consent of the Company; and

(c) those liens and encumbrances resulting from the failure of the Company to perform or observe any of the agreements on its part contained in this Agreement.
