CITICO PUMP STATION HANDRAIL INSTALL ALONG RIVER WALK

CONTRACT NUMBER W-15-013

The scope of work shall consist of operations including but not limited to the following: The purchase of materials and the fabrication and installation of a handrail along the sidewalk near the Citico Creek Pump station. The City is seeking bids on the fabrication and installation of the handrail as seen in the attached plans. The handrail shall be of the same, or improved, quality of the handrail found along the Riverwalk leading up to the site. The City is not taking bids on the preparation and pouring of the concrete foundations in the section along the sidewalk, however the foundations for the permanent section of fence will be poured by the contractor. The bids shall include the placement of metal dowels, required for the fence to be mounted on, in all foundations. See the attached scope of work for additional clarification.

The Base Bid includes the fabrication and installation of the handrail as specified in the attached drawings. Add Alternate 1 includes the priming and painting of the fence with one coat of primer, and two coats of Riverwalk Blue paint applied to manufacturers specifications. The paint can be found on file with Sherwin Williams. Add Alternate 2 includes performing concrete repairs as necessary and as directed.
